

FAHAD MOHAMMED

IT Graduate · Customer Experience & QA Specialist · Tech-Enabled Support

Kuwait · +965 50390441 · Fhedan880@gmail.com

PROFESSIONAL SUMMARY

Results-driven IT graduate and Customer Experience professional with 7+ years of progressive experience spanning frontline support, team leadership, administrative operations, and quality assurance. Adept at leveraging modern CRM and communication platforms—including HubSpot, Crisp, and Slack—to deliver exceptional client experiences. Proven ability to build scalable support infrastructure through knowledge base development, QA frameworks, and cross-functional team collaboration. Seeking a growth-oriented role in IT, operations, or customer success where technical acumen and interpersonal excellence drive measurable impact.

PROFESSIONAL EXPERIENCE

Chat Support & QA Specialist | [Ordbable](#) | Kuwait

September 2025 – Present

- Spearhead high-quality chat support for a diverse client portfolio encompassing individual end-users and B2B merchants, ensuring swift and accurate resolution of technical and operational queries.
- Architected and maintain a comprehensive Knowledge Base (Help Center), authoring detailed articles and dashboard tutorials that reduced repetitive support tickets and empowered clients with self-serve resources.
- Optimized CRM and communication workflows by leveraging HubSpot, Crisp, and Slack, enabling seamless ticket management and structured client follow-up across multiple communication channels.
- Conduct QA evaluations on client interactions, identifying gaps in product understanding and delivering targeted guidance to ensure consistent, high-standard user experiences.
- Collaborate cross-functionally with product and technical teams to escalate, document, and resolve platform-level issues impacting merchant operations.

Administrative Officer – Customer Experience | [Paydo General Trading LLC](#) | Kuwait

2023 – September 2025

- Orchestrated daily, weekly, and monthly performance reporting for the Customer Experience department, monitoring KPIs across communication quality, resolution rates, and team productivity.
- Supervised and mentored a team of customer experience agents, distributing workloads strategically and upholding service quality standards across all client touchpoints.
- Utilized the internal Helpdesk and Dashboard systems to manage, track, and resolve operational tickets, ensuring accurate documentation and timely closure of escalated cases.
- Audited recurring service failures, implemented corrective protocols, and facilitated structured problem-solving initiatives to prevent issue recurrence.
- Extended operational oversight to customer service functions in Qatar and the UAE, contributing to the successful launch and stabilization of multi-regional support operations.

Customer Experience Agent | [Paydo General Trading LLC](#) | Kuwait

2022 – 2023

- Delivered responsive and empathetic support via inbound calls and WhatsApp, resolving customer inquiries, processing requests, and managing outbound follow-up communications.
- Handled administrative and back-office tasks to support team operations, maintaining accurate records within internal systems.

Promoters Team Leader | Al Rowad Company | Kuwait2020 – 2022

- Led and coordinated a team of field promoters, assigning tasks, monitoring performance, and ensuring optimal product presentation across retail stations.
- Acted as a direct liaison between frontline staff and management, relaying insights to drive merchandising effectiveness.

Sales Promoter | Al Rowad Company | Kuwait2018 – 2020

- Engaged customers at point-of-sale stations, delivering compelling product demonstrations and driving conversion through consultative selling techniques.
